Christmas lights. By the time you read this, our evenings will be filled with the glow of Christmas lights. My sister and I helped hang the lights on our parents' house a couple of weeks ago so we could beat the bad weather (it wasn't particularly warm that day anyway) and it made me think of Christmases past. Probably my earliest recollection of Christmas lights was from my early childhood when we would travel to my Grandma and Grandpa Hertzfeldt's farm for Christmas day. Their light display was a modest string hung around the porch as I recall and were the large bulbs that can now be found in antique stores. I guess what stood out most was the bright colors in the otherwise darkness of a country evening and the magical feeling that came with them. Today we have LED lights that can blink, flash and even keep the beat with music. That's fine with me but I still prefer just a steady burning, peaceful light in the night.

That being said, one of my favorite activities during the Christmas season is to make a trip through the Rotary Lights in La Crosse, preferably on foot. The sight of over one million lights twinkling in the park is truly amazing and through the years has drawn hundreds of thousands of visitors while helping to stock the food pantries of the area during the winter months. In addition, various civic groups decorate trees around the edge of the park and various groups and choirs entertain in the warming house, each offering their own gift to the holiday season. Our Sons of Norway lodge will be one of those groups as we will be singing Christmas carols before our dancers perform in the park. Be sure to check us out and find our tree along the path.

Another big event that I look forward to every year (since I've joined Sons of Norway) is our Christmas banquet which will be held at the Radisson on December 7. If you haven't got your ticket yet, be sure to call Ramona and reserve yours soon. The banquet is always a special time for our lodge and is a great way to begin the season. In closing, I would like to wish each of you a very Merry Christmas and a Happy New Year and to thank you all for making 2017 a great year for our lodge. Enjoy the lights, wherever you find them, and I will see you at the banquet. —Dave

Program for January

Dream Trip to Norway Over the years, Lee and Gayle Grippen have hosted 27 YFU exchange students in their Caledonia home for a year each. Twelve of them, all Norwegian, surprised Lee on his 70th birthday with a free all-expense paid trip to Norway to celebrate Syttende Mai and meet his Norwegian families. The students and their families hosted Lee with several parties and outings to create the trip of a lifetime for Lee.

Lee and Gayle volunteered with YFU (Youth For Understanding) exchange since 1974 and have placed over 500 students in the Tri Sate area homes. It has given the family so many wonderful experiences through the years and they keep in contact with many of them thanks to the technology of the day. Lee will share the trip with Wergeland on Thursday Jan. 4.

Sekretær Notater...

Minutes of the November 2, 2017 meeting

The meeting was called to order at 7:02 pm by President David Glomstad. The Pledge of Allegiance was recited and the three national anthems were sung.

Guests were introduced: Jane Inglis, friend of Dan Hammes, Ron and Frieda Nowland's son Johnathan and daughter, Naomi, nephew and wife, Jacob and Kathy Olson, and their guests Judy Roes, Paula Burfeind

The Treasurer's report for October was presented. The checking account had income of \$674.05 with expenses of \$182.83, leaving a balance of \$1327.28. The scholarship account balance is had no income or expenses with a balance of \$2513.50. The memorial account had no income or expenses with a balance of \$1724.41. The savings account had income of \$16.12, with no expenses, leaving a balance of \$5157.54.

Foundation Cans were passed while President Dave asked Treasurer Johnson to discuss suggestions from the 5th District Leadership convention he attended at the Wonderland Salvation Army Camp. He encouraged us to consider ways we can help our lodge grow by inviting our neighborhoods, friends and relatives to our meetings. President Dave also pointed out that tonight Gary Knudtson is selling raffle tickets for the convention drawing.

President Glomstad noted that we are still in need of two the cultural committee co-directors. Their duties are to organize and schedule our programs. He asked for a motion that the 2018 slate of officers be approved. The motion was made and seconded and it was agreed that the officers would be installed at the Heritage Banquet.

Please join us in performance at the Rotary Lights on December 13 from 6 to 7 pm. We will sing carols and the Norwegian dancers will also be there.

Our December 7th Heritage Banquet will be at the Radisson with social hour starting at 5pm and the meal at 6. A meatball dinner will be served and the lodge will provide lefse. Adrian Johnson is collecting donations for the lefse tonight and encourages everyone who plans to attend to purchase tickets. If you contact him later tickets might still be available. All attendees are asked to bring a dozen or so traditional Christmas treats.

November birthdays were recognized in song. The Raffle Drawing was held: \$114 was collected, \$38.00 went to Ilene Pavelko for the 1st correct number; \$38.00 to Shirley Schoenfeld for the 2nd correct number; and \$38.00 goes into the general account.

CONVENTION

CORNER

Folk Art for District 5 Convention

The 2018 District 5 convention committee met again on Monday, November 20. We are continuing to finalize plans. If any of our Wergeland members would like to provide some input, we meet the 3rd Monday of each month at the Radisson in La Crosse and you are welcome to attend.

One thing we would like to point out at this time is the Folk Art Fair that will be held during the convention. There is not a charge to enter and we would like many Wergeland artists to enter this. Do you have a hobby in rosemaling, wood carving, painting, needlework such as hardanger and klosterson, knife making or other? Our convention committee wants to promote our heritage. Be part of it!

There will be a People's Choice voting with winners being recognized at the banquet. Items will be monitored for security at all times. Some people may even want to sell their items. The convention will have good exposure to do this. If an artist desires to offer his/her artwork for sale, those items will be offered for sale with a sales commission of 20% of the sale price to be retained by the Wergeland Lodge Convention Committee.

We are mentioning this at an early date as this gives you time to work on a project and be part of your convention. If you have questions, contact Carol at jmstekel@aol.com.

From the 2018 District 5 Convention Financial Chair:

As most of you know, we have held various fundraisers to kick start the financial end of the convention planning. Before we get into the part of our planning where delegates are sending in their registration and meal fees, we need funds for supplies, postage, printing, etc. We want to thank you for responding to our needs. I have reported our results at our regular meetings but many of you have not been informed of the receipts of our various fundraisers.

Our thanks to you members as about 190 of you donated

(Continued on p. 4)

(Continued from p. 3)

to our no bake sale fundraiser, in which the average donation exceeded \$10.00. We sold 450 chicken dinners and many of you bought tickets for that event also. Our profit for that event was over \$1500.00. We also received much favorable publicity as 111 dinners were bought and donated to the Salvation Army. Again we thank you.

We are now in the midst of selling tickets for the raffle that will be held during the convention itself and anyone who buys a ticket is eligible to win some great donated Norwegian prizes as well as cash. Raffle tickets are \$5.00 each and can be bought at each regular meeting from Gary Knudtson. Also, many of you have volunteered to help us during the convention itself which is very much appreciated also. Also, some of you will be asked to be delegates at the convention itself next June and that will be a rewarding experience also. Just ask those of us who have been convention delegates before.

Again, manga tusen takk.

Adrian Johnson, convention treasurer.

Karen Scarseth celebrated her official retirement from Dairyland Power Cooperative at the Radisson Hotel on Oct. 27. Her family and friends joined her for a dinner and program—a very fun night.

Sally Olson and her sister vacationed in Hawaii in October.

Beginning in Jan. 2018, we don't have people on the board to work as **cultural directors**. Two people can plan the programs for the meetings. This is important because this is what makes our meetings interesting. If you have questions about this position, call Mary Sween, Freida Nowland.

The second position is for someone to help out *next* December to make sure SON is represented at **Rotary Lights** at Riverside Park. We decorate a tree, and help to organize a program in the "warming tent" that helps celebrate Christmas. Contact Shirley Schoenfeld if you can help out.

Sons of Norway Mission Statement

The mission of Sons of Norway is to promote and to preserve the heritage and culture of Norway, to celebrate our relationship with other Nordic Countries, and provide quality insurance and financial products to our members.

From the November Wergeland Meeting

The November program was presented by **Frieda Nowland** and her daughter Naomi (pictured at right). Frieda's grandfather Tarkjel

Landsverk was a renowned kubbestol builder/carver. His son Halvor Lansverk continued the tradition. Frieda, Naomi, and members of their family took a kubbestol carving class at Vesterheim and they described the process as well as shared lots of information about Tarkjel, Halvor, and the kubbestols they made.

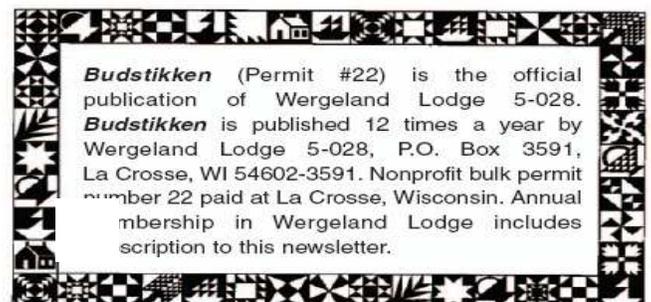

Photos: The finished chair was made by Halvor Landsverk, purchased and owned by Ron and Frieda.

The small unfinished kubbestols were from the Vesterheim class. The big unfinished kubbestol is a blank Frieda's sister Ellen bought from Halvor's estate; she intended to carve it but died too soon.

Oh Christmas Tree, Oh Christmas Tree! Festival of Trees

On November 19th our Sons of Norway tree was decorated for Rotary Lights. Those who helped were Adrian and Ramona Johnson, Shirley Schoenfeld, Tia Mitchell and her granddaughter Skylar. After we decorated, we enjoyed scotcheroo bars, hot cocoa, hot coffee that Ramona brought. We were pleased how the tree looks, and hope that

when you come down to Rotary Lights, you will look for our tree - it's across from the live nativity set up near the beginning.

Remember to come to sing Christmas carols on Wed., Dec. 13 at 6 pm.

Fly your Norwegian colors and support the SON District 5 Nordic Legacy Foundation

When Norway became a sovereign nation in 1821, the Storting [Norwegian parliament] adopted a flag with the Nordic cross, similar to other Scandinavian countries. In the early 1800's, some

countries were forming republics to better represent its citizens, and the red-white-blue of France and the United States flags influenced Norwegian flag creator Fredrik Meltzer to include those colors in the flag design. At the end of WW II, Norwegians flew national flag banned by the Nazis as a celebration. The Norwegian flag is flown on these holidays:

- Jan. 1 - New Year's Day
- Jan. 21 - Princess Ingrid Alexandra's birthday
- Feb. 6 - Sami National Day
- Feb. 21 - King Harald V's birthday Easter
- May 1 - Labor Day May 8 - Liberation Day
- May 17 - Constitution Day Whitsunday (8th Sunday after Easter)
- June 7 - Union Dissolution Day
- July 4 - Queen Sonja's birthday
- July 20 - Crown Prince Haakon Magnus' birthday
- July 29 - Olsok (in memory of King Olav Haraldsson)
- Aug. 19 - Crown Princess Mette-Marit's birthday
- Sept - 2nd Monday (every 4 years) - General Election
- Dec. 25 - Christmas

According to the Norwegian flag law of 1898 (updated in 1927) the Norwegian Flag is raised at 8 am, between March and October, and at 9 am in winter months. The flag is lowered at sunset, but no later than 11 pm during the "midnight sun" times. In the far north parts of Norway, in the winter, the flag is only flown between 10 am and 3 pm.

You may order one or more Norwegian flags and at the same time support District 5 programming. Flags are 3x5 feet, 210 denier Oxford nylon with 4 rows of edge stitching on fly edge and are designed for frequent outdoor use: \$30 for one (shipping included), \$100 for 4 flags, \$250 for 12, \$500 for 26 (all prices for multiples includes shipping to a single location).

Please make your check out to "SON D5 Nordic Legacy Foundation," include your name, address, email, phone, and Lodge name, and send to Mike Palecek, SON D5 treasurer, 5747 Sandy Lane, Racine WI 53406 (262-497-2761 mikep@sonsofnorwayracine.com). Proceeds will be used to support Masse Moro & other District 5 Nordic heritage programs.

(Continued from p. 2)

Counselor Johnson asked us to encourage anyone we know who wants to join SON to do so before the 2018 increase in the membership dues. Officers were thanked and the business meeting was adjourned at 7:30 pm.

Frieda and Naomi Nowland presented the program "The Tradition Continues" featuring examples of kubbestols created by Naomi and by Frieda's uncle Halvor Landsverk. They also provided photos and a video about the process of how these unique carved chairs are made from basswood tree trunk.

There were 78 adults and 7 children in attendance. \$46.84 was collected for the Foundation and \$242.00 for the table collection.

JOIN US!! Wednesday, Dec. 13th from 6-7 PM

Sons of Norway and Norskedalen are providing a Christmas program for the community at the Rotary Lights warming tent. Several Wergeland members will be caroling right at 6 pm for 20 minutes (about 6 songs) and then the Sons of Norway Dancers will perform from 6:20-6:40 pm, and Norskedalen is providing for the band "Oatmeal Group" to play some Christmas music until 7 pm.

We will begin promptly at 6 pm, so please drive through the Rotary Lights early, and then park by the warming tent. Everyone will be invited to sing with us. If anyone would like a copy of the six carols we will sing, e-mail Shirley at SASLAX@aol.com and she will e-mail it to you. This is a fun activity we share with Norskedalen. Joyce Abernathy will again be making old-fashioned tree decorations with the children.

Thanks to everyone who will join us.

Looking Back

Our Heritage dinner at the American Legion Hall featured a catered dinner, with Norwegian treats for the social hour and dessert provided by members. We were entertained by a Holmen trio, Sisters in Song, comprised of Lu Pertzsch, Sandy Gilbertson, Lori Toso, and piano accompanist Sylvia Groleau.

While visiting family in Puyallup, Washington, President Gene Johnson and Florence enjoyed a Kaffe Stua Norwegian lunch at the Poulsbo, WA Sons of Norway lodge, and a lutefisk and lefse dinner at the Tacoma lodge.

Golden member Mable Klimpen celebrated her 104th birthday at the Onalaska Care Center.

The Heritage dinner was held at the American Legion Hall. Following the dinner, we were entertained by John Bernadot, a local entertainer whose original band was known as Johnny and the Shy Guys, but has also appeared with the Beach Boys, Conway Twitty, and the Everly Brothers. Our own Wergeland dancers also entertained with a traditional Juletreffest performance, singing around the Christmas tree.

President Bing Skogen thanked David Christianson for editing the Budstikken for this year. Carol Stekel will take over the duty for 2008.

\$800 was donated by members to the flood relief fund in southern Minnesota and the south La Crosse/Vernon counties.

The annual Heritage dinner featured meatballs, lefse, and all the trimmings, including Norwegian treats, all furnished by Wergeland members. It was held at the American Legion, and members also brought non-perishable food items for the Salvation Army. Entertainment was by Walton Ofstedahl and the Wergeland dancers.

Norwegian humorist and author Janet Martin (Growing Up Lutheran, Lutheran Church Basement Women) entertained at a Lutheran Brotherhood Appreciation Party, hosted by member Todd Trautmann.

The December Budstikken featured a recipe for Lingonberry Cake. (Need the recipe? It will be available at the Heritage Dinner meeting.)

Doubt that we would have managed it today

It's been 50 years since Sweden switched to driving on the right side of the road. It was a huge undertaking, says a professor.

First, traffic was quite quiet. Then the cars swung over the center line. Switching to right-hand driving is the biggest societal change in Sweden, says Professor Claes Tingvall. He works at Chalmers Technical College. Earlier, he worked with road safety at the Swedish Road Administration.

"It was a terribly big project. Probably the largest ever in Sweden," says Tingvall.

The change itself was completed quickly. It happened early in the morning on Sunday, September 3rd, 1967. At 4:45 a.m., all traffic was stopped. Then all cars drove carefully to the right side of the road. Here they stopped again. Then they waited until the clock struck five. Then the message came over the radio: Sweden had switched to right-hand driving.

Now the cars could drive. But no faster than 30 kilometers per hour [18.6 miles per hour].

"It is doubtful that we could have done something like this today. Suddenly, all people were supposed to change what they were very used to? Some researchers warned that it would end in a bloodbath. But it was successful," says Tingvall today. The changeover was carefully planned. All private cars were stopped between 1 a.m. and 6 a.m. for the change. In the cities of Stockholm and Malmö, it was even stricter. There was no private driving between 10 a.m. on September 2nd and 3 p.m. the day after. After the change, traffic was monitored. More than 10,000 police watched. There were also people from the military in the streets all the time the following week.

After the shift, there were fewer who died in traffic. Speed limits also became lower. Most Swedish cars were already built to drive on the right, according to Tingvall. These cars were the same as today, with the steering wheel on the left.

"It was actually very strange. This meant that before the change it was dangerous to pass. It was most often the passenger side that was hit hardest in a crash," Tingvall says.

Other countries still have left-hand driving. We probably know the United Kingdom best. But also African and Asian countries drive on the left side of the road. Among them are Australia, India, Cyprus, Pakistan, South Africa and Thailand.

Litt på Norsk...

Tviler på at vi ville klart det i dag

Det er 50 år siden Sverige byttet til å kjøre på høyre side av veien. Det var et enormt prosjekt, forteller professor.

Først sto trafikken helt stille. Så svingte bilene over midtstripa. Å bytte til høyrekjøring er den største endringen i samfunnet i Sverige, mener professor Claes Tingvall. Han jobber ved Chalmers tekniske høyskole. Før jobbet han med trafikksikkerhet i Vägverket.

– Det var et uhyggelig stort prosjekt. Trolig det største som noensinne har vært i Sverige, sier Tingvall.

Selve byttet var raskt ferdig. Det skjedde tidlig på morgenen søndag 3. september 1967. Klokket 04.45 ble all trafikk stanset. Så kjørte alle biler forsiktig over til høyre side av veien. Her stanset de på nytt. Så ventet de til klokka ble 5. Da kom beskjeden på radio: Sverige hadde gått over til høyrekjøring.

Nå kunne bilene kjøre. Men ikke raskere enn 30 kilometer i timen.

– Det er tvilsomt at vi kunne gjort noe lignende i dag. Plutselig og samtidig skulle alle mennesker endre det de var veldig vant til? En del forskere advarte om at det ville ende i et blodbad. Men det ble vellykket, sier Tingvall i dag. Endringen var nøye planlagt. Alle private biler ble stanset mellom klokka 1 og klokke 6 natten for endringen. I byene Stockholm og i Malmö var det enda strengere. Der fikk ingen private kjøre mellom klokka 10 på dagen 2. september og klokka 15 dagen etterpå. Etter endringen ble trafikken overvåket. Flere enn 10.000 politfolk passet på. Det var også folk fra militæret i gatene hele tida den neste uka.

Etter skiftet var det færre som døde i trafikken. Fartsgrensene ble også lavere. De fleste svenske bilene var allerede laget for å kjøre på høyre side, ifølge Tingvall. Disse bilene var de samme som i dag, med rattet på venstre side.

– Det var egentlig kjemperart. Det gjorde at det før endringen var farlig å kjøre forbi. Det var som oftest siden med passasjerer som ble truffet hardest i et krasj, sier Tingvall.

Fortsatt har flere land venstrekjøring. Vi kjenner nok best til Storbritannia. Men også flere afrikanske og asiatiske land kjører på venstre side av veien. Blant dem er Australia, India, Kypros, Pakistan, Sør-Afrika og Thailand.
