Registration for the Sons of Norway President's Leadership Conference is in the Tamarack lodge. Parking spots are shown with "P" on the map. There may be parking in front of Beech or Wonderland. Please temporarily park there and register, but please then move your cars to the main lot near the camp entrance, so others are able to easily register.

We have rented a six-passenger golf cart to assist participants in getting around. Priority will be given to those with mobility needs. We will do our best to assist you during registration, throughout the conference and at checkout, moving you around.
