

Friendly Fifth Friday News November 30, 2018

In an attempt to help our lodge leaders become more familiar with resources, changes, deadlines and other information, I will compile a weekly "Friendly Fifth Friday News" email to our leadership. Some of the information you might already have, but hopefully it will be a good reminder for all of us (me included) of all the great resources that Sons of Norway has to offer. **Please feel free to cut and paste any of this information for your lodge's use!**

From Sports Director Cheryl Wille-Schlesser: Attention! Birkie Fever is catching!

Whether they come by truck, car, or plane, Hayward, WI will soon host skiers from around the world for the *Greatest Show on SNOW-The American Birkebeiner*. The 2019 Barnebirkie event will launch the festivities on Thursday, February 21st. The kids' route will return to the golf course behind the Hayward Elementary Campus. Registration will occur at the big tent just off 5th Street, where skiers will pick up their bibs and hats. Participants in the Barnebirkie are between the ages of 3-13.

The Barnebirkie has been long supported by the Sons of Norway 5th District. Each year our members provide cookies by the thousands to ski families at the Celebration Tent in downtown Hayward. Our volunteers also assist with the ski registration, serve a hot lunch to our volunteers, play music at the VFW canteen, assist the classic skiers at the Expo, and fulfill other requests made by the Birkie Office. You will recall that our District was awarded the 2018 Shellie Milford *Spirit of the Birkie Award* for our unwavering support. 2019 will be no exception, and due to the loss of some workers we are needed in earnest!

BRING ON THE COOKIES!

The District 5 Board recently approved an incentive to Lodges for their baking efforts. Lodges are asked to gather their members for a Baking Day which will benefit the Birkie event. Take pictures of your efforts for posting on the District 5 website or on the D5 Facebook page. The Lodge that sends the most cookies to the event will be awarded a \$50.00 prize. In order to determine the winning lodge, it will be necessary for your lodge to label the boxes you send with the number of dozen per box OR

your lodge's president can send a tally sheet indicating the number of cookies (dozens) donated. A clipboard will be available in the cookie tent for any lodges delivering cookies to the tent that day.

One objective of the Baking Day is to create fellowship among your members, and it would be a great activity to welcome any new members into your fold. Lodges can incorporate specialized Norsk varieties of cookies that your lodge could later use at another event. This activity would also help your lodge to meet, in part, the Mission of the Sons of Norway, of promoting and preserving the heritage and culture of Norway. By doing so, your members would additionally earn credit toward a cultural pin! For more information on that pursuit, go to SofN.com: Select Cultural Programming and choose Cultural Skills. Traditional Norwegian Cooking requirements will be outlined. You will find the requirement for Baking and Desserts listed. Download the paperwork needed for this exercise, and you are on your way. Lykke til!

CAUTION-Due to the many individuals who have been diagnosed with allergies to tree nuts and peanuts, please DO NOT use them in your baking.

The classic skiers have also made a request for *healthy cookies*! Providing a spice cookie such as cardamom, molasses, ginger, pumpkin, or a fruit option would be fantastic. Oatmeal raisin cookies are popular, too.

*Additionally, some lodges choose to purchase cookies made in a controlled environment which is free from allergens. After discussion at the Board level, all cookies contributed will be entered into the prize contest.

Lodges that wish to send a support check for this event, should make it payable to the Sons of Norway-Fifth District. Mail it directly to the District 5 Treasurer, Michael Palecek: 5747 Sandy Lane, Racine, WI 53406. Indicate on the memo line of your check, Barnebirkie, so your lodge can also receive recognition.

From Vice President Kathy Secora:

District 5 will supply business cards to lodges who want them. The front will have a Sons of Norway logo and information about your lodge (website, facebook page, contact person with phone number). The back will have room for your member to write their own name and contact information to give to the prospective member. The idea is also to collect the prospect's information on a second card to return to your membership chairman.

To order cards, or get questions answered email ksecora@mc.net. We already have one order.

Fagernes Lodge is excited about the prospect.

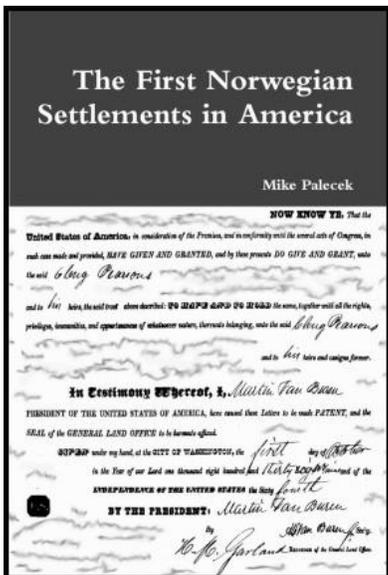

"I talked about the business cards. Told them about having 2 cards to hand to a prospective member, etc. Everyone liked the idea. We want them! Great idea to have a place on the back of the card for contact info. I'm excited about the good things happening at District 5. The business cards will be a big help in recruitment. Thanks."

From District Treasurer and Fundraising Committee Members:

"The First Norwegian Settlements in America" is an excerpt of Rasmus Anderson's 120-year-old book, "The First Chapter of Norwegian Immigration (1821-1840): Its Causes and Results." Very interesting stories are related about the Restauration trip from Norway to New York state in 1825, followed by settlement stories in the Fox River settlement (Illinois), Chicago, Jefferson Prairie (Illinois-Wisconsin), Koshkonong (Wisconsin), Muskego (Wisconsin), and later settlements to Texas and Utah. There are short sections on White County Indiana, Beaver Creek (Illinois-Indiana), Shelby County Missouri/Lee County Iowa. The book concludes with a "Places to Visit" section, where readers can learn about modern Norwegian-American museums which focus on these settlements. These museums are the Norsk Museum (Norway, Illinois), Heg Memorial Park (Wind Lake, Wisconsin), Stoughton Historical Society (Stoughton, Wisconsin), Livsreise (Stoughton, Wisconsin), Old Muskego Log Church (St. Paul, Minnesota), Vesterheim Museum (Decorah, Iowa) and a day trip to the Jefferson Prairie and Koshkonong settlements. Research for the book includes 53 sources, 169 graphics (photos and illustrations) and 211 footnotes. Editing assistance came from Jerome Rud, Geoffrey Wodell and Diane Palecek. Consulted experts included Bill Andrews and Tom Grasso (upper New York State, Sloopers), David Johnson (Fox River settlement), Marilyn Canfield (Muskego settlement), John Peterson and Paul Daniels (Lutheran church history).

Please support Norwegian-American heritage and the Nordic Heritage Foundation

The Nordic Legacy Foundation is Sons of Norway's District 5 Norwegian heritage project. Profits from this book project will support Masse Moro youth camp and other District 5 heritage programs.

As a "tusen takk" for your donation, you can get the book "The First Norwegian Settlements in America." Learn about the Sloopers, the first group of Norwegians to come to America in 1825. As the west was opened, Norwegians had major settlements in Illinois and Wisconsin. Some of the earliest settlements in Missouri, Indiana, Texas and Utah are also covered in this volume.

Travel to some interesting Norwegian-American museums also featured in this book.

If you haven't earned a SON literature cultural skills pin, this book is a great way to get started.
